**r. bourgeois JFE Shoji
Magnetic Lamination, Inc.**

*Value.
creation
with combined
expertise*

r. bourgeois and **JFE Shoji Steel America**, have established strategic alliance for the production and sales of electric motor rotor and stator laminations in the NAFTA region.

The new company **r. bourgeois JFE Shoji Steel Magnetic Lamination, Inc.** operates in Tijuana Mexico, combining **r. bourgeois** 90 years experience and technology in processing magnetic lamination assemblies and high precision carbide tools, together with the expertise and competence of **JFE Shoji Trade Corp.** in the supply and distribution of best-in-class low core loss electrical steels.

*Value.
creation
for the highest
precision*

r. bourgeois JFE Shoji Steel Magnetic Lamination ambition is to become the benchmark supplier for complex magnetic circuit cores required in energy efficient electric motor solutions. Best-in-class production system standards in specifically dedicated contamination-free environment with super rigid high-speed presses will offer utmost capabilities for accurate thin gage/high silicon content lamination assemblies.

*Perfection
in processes
& equipments*
